

OFFICIAL STATEMENT

The Selection Committee of Research Papers announces that, as of August 2, 2019 (deadline for reception of papers and registration of authors to take part in the Call for Papers), fourteen (14) research papers have been received.

The Selection Committee will evaluate research paper submittals and the eight (8) research papers with the highest scores will be selected for presentation. The authors of the two (2) top papers, according to the ranking mentioned above, will present them at the International Annual Conference for Integrity – CAII 2019. Also, the following six (6) papers; that is, from third to eighth place, will be presented at the II International Research Colloquium on Government Control.

Finally, the Selection Committee announces that the ranking showing the final results of the evaluation process will be published this Friday, September 6, 2019 on the Colloquium website.
